

Property Owner

Re: SR 0222 Section 038  
Lancaster County  
ECMS No. 75768  
PENNDOT Right-Of-Way Clearing

Dear Property Owner:

Kinsley Construction, Inc. has been contracted by the Pennsylvania Department of Transportation to perform the reconstruction of the referenced project which is adjacent to your property. As part of our contract, Kinsley Construction, Inc. is required to clear all trees and shrubs measuring less than twelve inches (12") in diameter from the Department's Right-Of-Way. Should you desire any of the cut trees located adjacent to your property for your use, Kinsley Construction, Inc. will place the cut trees on your side of the existing Right-Of-Way fence for your use. Please contact the project superintendent, Vernon McFadden, at (717) 577-9401 to coordinate this work.

Any questions or concerns may be initially directed to my attention at (717) 741-8367. Thank you

Sincerely,  
Kinsley Construction, Inc.

Ronald E. Brown  
Project Manager
